

Advisers Guide to Benefits and Tax Credits

2009-2010 Edition

Welfare Benefits Unit

The Advisers Guide to Benefits and Tax Credits is written for people who give information and advice as part of their work. The Guide has proved an invaluable starting point for those working in a range of statutory and voluntary organisations including community, health, probation, housing and advice services.

The Guide provides information on the main conditions of entitlement, rates and information on how to claim. There are useful sections on benefits for people in care homes and hospital.

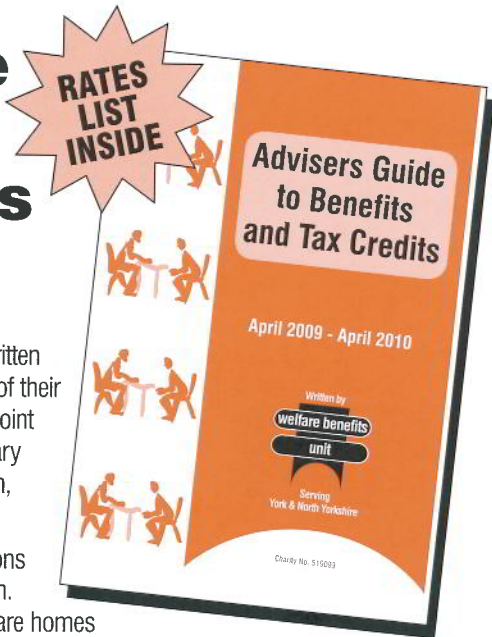

The Guide has a compact A5 format and approximately 100 pages.

Price £4.50 per copy or £4.20 per copy for orders over 25 (includes postage and packing)
