Benefits Following a Bereavement 1 online module

This course will look in detail at the benefits available following a bereavement, including Bereavement Support Payment and Statutory Parental Bereavement Pay, as well as the impact on existing benefits. Case studies will be used to highlight entitlement and support learning.

We will consider:

- Entitlement to bereavement benefits, including Bereavement Support Payment and Statutory Parental Bereavement Pay
- The support available to help pay for funerals
- The impact of a bereavement on the benefits of a surviving partner

Target Group: Standard

This course is suitable as an introductory course or a refresher for those who have some benefit knowledge.

By the end of the course you will:

Feel confident about advising people following a bereavement.

Date: Wednesday 4 September 2024, 10.00 – 12.30
