## Benefits for State Pension Age 2 online modules

This course will look in detail at the benefits available to people who have reached State Pension age. Case studies and calculations will be used to highlight entitlement and support learning.

### Module one we will consider:

- Overview of benefits for people of State Pension Age
- State Pension
- Attendance Allowance
- Carer's Allowance

### Module two we will consider:

- Pension Credit, including the child addition
- Rules for mixed age couples and Universal Credit
- Housing Benefit
- The interaction with working age benefits

### Target Group: Standard

This course is aimed at advisers who predominately work with older people. It is suitable as an introductory course or a refresher for those who have some benefit knowledge.

### By the end of the course you will:

Feel confident about advising older people and maximising benefit income.

**Date:** Wednesday 13 November 2024, 10.00 – 4.00
