## Benefits to Help Pay Rent 2 online modules

This course will cover the rules of entitlement to help with rent via either Universal Credit or Housing Benefit. Case studies and calculations will be used to highlight entitlement and support learning.

### Module 1 will consider:

- The housing costs element within Universal Credit and who qualifies
- How housing costs are calculated, including the size restriction rules

### Module 2 will consider:

- Who can qualify for Housing Benefit, including definitions of specified and temporary accommodation
- How Housing Benefit is calculated, including the size restriction rules
- Discretionary Housing Payments

### Target Group: Standard

This course is suitable for those with a basic knowledge of the means-tested benefit system who would like better understanding of the help available to renters.

### By the end of the course you will:

Feel confident about advising people about what benefit they can receive to help meet the cost of their rent.

**Date:** Wednesday 5 February, 10.00 – 4.00
